The Greater Allentown Grotto (GAG) is a local chapter of the National Speleological Society (NSS) dedicated to the study and conservation of caves and their natural contents and to fellowship among its members. Membership is open to anyone who shares these goals. Dues are \$10 per year which includes a subscription to the Pack Rat Scat. Meetings are held at 7:00 PM on the third Sunday of each month at the Pool Wildlife Sanctuary, 601 Orchid Place, Emmaus, PA. See back cover for location map!

The *Pack Rat Scat* is the official newsletter of GAG and is published two times a year. Articles are contributed by members and friends of the Grotto, but they do not necessarily represent the official position of GAG or the NSS, nor the views of the editor or any member. The *Pack Rat Scat* is available in exchange for other speleological publications.
